

2010-2011 Dress Code

ADA has attire and shoe requirements for all students. A dress code adds uniformity, promotes teamwork and discipline in the classroom. It also ensures that class time is spent learning about dance and not fashion!

All Dancewear is available in the Allegro Style Boutique.

***Females should wear hair off their face for all classes. Jewelry should be limited to stud earrings.

***Male students should wear black jazz or sweat pants, a white t-shirt and proper footwear.

Our Dress Code is enforced. Please do your best to follow it or you may be asked to sit during class and observe.
